## VERIFIED STATEMENT OF INDEPENDENT INVENTOR STATUS

Applicants: John Sobota  
Jason Gosior  
Louis Garner  
Colin Broughton

Assignee: Eleven Engineering Incorporated

Application: RADIO FREQUENCY REMOTE GAME CONTROLLER

I declare that Eleven Engineering Incorporated owns all rights to the referenced Patent Application and that Eleven Engineering Incorporated qualifies as a small business concern as defined in 37 CFR 1.9 for the purpose of paying reduced fees under Section 41(a) and (b) of Title 35, United States Code, to the Patent and Trademark Office with regard to the referenced Application, a specification of which is enclosed.

Eleven Engineering Incorporated has not assigned, granted, conveyed or licensed and is under no obligation under contract or law to assign, grant, convey or license, any rights in the invention to any person who could not be classified as an independent inventor under 37 CFR 1.9(c) if that person had made the invention, or to any concern which would not qualify as a small business concern or nonprofit organization under 37 CFR 1.9(e).

Eleven Engineering Incorporated acknowledges the duty to file in this Application, notification of any change in status resulting in loss of entitlement to small business concern status prior to paying, or at the time of paying, the earliest of the issue fee or any maintenance fee due after the date on which status as a small business concern is no longer appropriate.

On behalf of Eleven Engineering Incorporated I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true, and that these statements are made with the knowledge that willful false statements are punishable by fine or imprisonment, or both, and that willful false statements may jeopardize the validity of the Application, any patent issuing thereon, or any patent to which this verified statement is directed.
